

eSponsorship Application & Training

The resources on this page will assist you in the implementation of the eSponsorship program. If you have any questions or need further assistance, please contact your Service Headquarters' representative.

[eSponsorship Application & Training \(eSAT\) User's Guide](#) – describes how the eSponsorship application works and the available reports.

[Introduction to eSAT PowerPoint](#)– very useful for briefings to audiences that are unfamiliar with the website.

[eSponsorship Brochure](#)– print and use as a marketing tool to describe the features and benefits of the program.

[eSponsorship Flyers](#) – very useful in advertising the program to the units on your installation.

[eSponsorship Frequently Asked Questions](#) – commonly asked questions about the application.

[eSponsorship Quick Start Guide](#) – a shorter version of the User's Guide.

We also encourage you to take the eSponsorship Application & Training distance learning module which can be accessed at <http://apps.militaryonesource.mil/olearn>.
